

# NSS sponsored Online Plantation Demo Competition

Date: 26/05/2021

Under the aegis of NSS in collaboration with Eco Club and with inspiration from IQAC Amguri College, an online plantation demo competition was organized. As per rule of the very competition, the participants were supposed to upload and submit pictures of newly planted saplings in side their home compound. The best sapling planted would be adjudged on the basis of the location, quality and tending of the sapling. The last date for submission of the photos was 4<sup>th</sup> of June 2021. Accordingly a large no of participants submitted their uploads and from them the top three contenders were selected.

# Environmental Awareness Rally

Date: 06/02/2021

Under the aegis of NSS Amguri College in collaboration with IQAC , a cycle rally led by NSS Volunteers was organized on the 6<sup>th</sup> of February 2021. The rally was flagged off by the Principal in presence of IQAC Coordinators & NSS Programme officer with speech on the significance on the awareness of environmental issues. The speech of the Principal called for the protection of the environment from pollutants of all forms and intensive plantation apart from reducing pollution of air going green through cycling and avoiding vehicular traffic known for extreme level of emissions. The rally also drew the attention of the public calling for economization and conservation of natural and mineral resources and also for the road safety through reduction in use of vehicles plying on the road

The rally having started from the campus of the college took a circular round through the suburbs in the periphery of the college across tea gardens, paddy plantations, bamboo plantations and sanchi plantations. It was well covered by print media as well.
